French composer **Jacques Offenbach** (1819–1880) was the originator of the **opерetta** and played the cello. An **opерetta** is a form of entertainment that combines several of the fine arts together: vocal and instrumental music, drama, dance, and visual arts. One of his most famous pieces is the “Can-Can” dance from *Orpheus And The Underworld*. This popular work was written in 1858, just three years before the start of the American Civil War (1861–1865).
